

May 28th-29th: Elevate Your Educational Impact at the 2025 Aerium Summit

Connecting Educators with the Future of Aviation

The **Aerium Summit** is the premier aviation education event in Pennsylvania, bringing together high schools, school districts, colleges, universities, and other educational institutions to explore the latest advancements in aviation and workforce development.

Why Attend the Aerium Summit?

GAIN INDUSTRY INSIGHTS

Immerse yourself in the latest advancements and emerging trends in aviation, aeronautics, drone operation, defense, and maintenance.

CONNECT WITH LEADERS

Network with industry professionals, post-secondary leaders, and government representatives to build valuable connections and explore collaborations.

ENHANCE YOUR CURRICULUM

Discover innovative educational pathways and resources to enrich your curriculum and prepare students for successful careers in aviation.

WORKFORCE DEVELOPMENT FOCUS

Learn strategies to address the aviation talent pipeline and equip students with the skills and knowledge demanded by the industry.

Key Takeaways for Educators:

LEARN

Engage in informative sessions with industry professionals and educators.

GROW

Explore innovative opportunities and expand your professional network.

FLY

Discover new ways to inspire and guide your students toward successful aviation careers.

Educator Exclusive:
Attend the Entire
Summit for Just \$90!

Transforming Aviation Education in Pennsylvania: Aerium's Impact

Why Aerium?

Aerium is at the forefront of driving positive change in aviation education. We are dedicated to providing educators with the tools and resources needed to prepare students for success.

Our Achievements Include:

EXISTING AVIATION PROGRAM SUPPORT

Aerium currently supports more than 35 aviation education programs statewide, servicing about 60 of PA's districts and Career and Technical Centers.

NEW AVIATION PROGRAM CREATION

Aerium can help your team build a sustainable and scalable STEM or CTE program that will prepare your students for aerospace career success.

CAREER & TECHNICAL EDUCATION (CTE) INNOVATION

Aerium spearheaded efforts to expand PA's CTE offerings to include aviation-related Classification of Instructional Program (CIP), Standard Occupational Classification (SOC), High Priority Occupation (HPO) and CTE teacher certification standards.

INDUSTRY COLLABORATION

Aerium fosters collaboration between educators, industry leaders, and government representatives to revitalize Pennsylvania's aviation sector.
