

You're Invited!

To the

Unmanned Aircraft Systems (UAS) Workshop

Who is this for?: For all secondary educators interested in collaborating with the The Pilot Mind Drone Academy and/or Aerium LLC with regard to Uncrewed Aircraft Systems (UAS or Drone) curriculum.

What?: Free workshop on UAS (Drone) curriculum development

When?: Monday, August 4, through Wednesday, August 6, 2025

Where?: The Pilot Mind Drone Academy headquarters - 1200 Sathers Dr, Pittston, PA 18640

Workshop Highlights:

- **Free of Charge:** The workshop is completely free for participating educators.
- **Drone Curriculum Development:** Focus on creating and operationalizing drone-related curriculum materials tailored for secondary education.
- **Free Drone Giveaway:** Every participating teacher (up to 2 drones per physical academic building) will receive a free drone valued at approximately \$700-800 upon completion of the workshop to take back to their classroom.
- **In-Person Event:** The workshop will be held from 8:30 AM to 4:00 PM, with an hour for lunch (provided) from 12:00 PM to 1:00 PM

Please respond by Monday, July 28th if you or others from your district are interested in signing up for this opportunity.

Don't miss this unique opportunity to enhance your school's curriculum with cutting-edge UAS technology and take your teaching to new heights!
